Class, Subgroup & Plan Codes			What They Mean
Class Code	Subgroup code	Plan Code	Populations Represented
CL01	SG01	BND	Revo Health
CL01	SG02	BND	i-Health
CL02	SG01	BND	COBRA
CL02	SG02	BND	COBRA

Draft and is subject to change until all parties have agreed on a final version.

Numbers are not needed for Revo Health LLC and Infinite Health Collaborative, P.A. Different branding and separate entities, and will "roll up" under Revo Health LLC.

Departments will need to be reportable, but will not need be captured in the account structure and will not be included in health's department codes and/or descriptions can be captured in a REF*ZZ segment within the enrollment file.

Other populations do not need to be broken out further than Active and COBRA for any reason, including but not limited to (Part Time, Retirees, Leave of Absence, Partners/Executives, Severance, etc.)

Populations (Active and COBRA) have the same coverage tiers for enrollment and premiums. Coverage tiers are a

Reve members pay medical premiums on a bi-weekly payroll schedule (24 deductions). Partners pay a different premium (employer subsidy). Partners are paid on the same bi-weekly payroll schedule as all other Revo Health employees. The deduction schedule for COBRA Participants is federally regulated to the first of every month.
